**Concerns: Your letter to the Secretary General of the European Schools on the conditions of admission into Spanish universities for holders of the European Baccalaureate (Ref. Ares (2010)577570)**

Dear Director General,

On the 10th of September 2010 you sent a letter to Ms. Christmann, Secretary General of the European Schools, on the conditions of admission into Spanish universities for holders of the European Baccalaureate, which our association considers to be unfair.

As we are not aware of any answer to that letter, would you be so kind to let us know whether there has been any new development on the issue?

Thank you very much for your interest.

Yours sincerely,

Joaquín ALBALADEJO  
Representative of the parents of pupils in the Spanish Sections of the European Schools
